Aurangzeb is a 2013 Hindi superhero movie based on real life events. Described as "Indian Rajput's version of Batman", the film is inspired by the rise, reign and downfall of the Mughal emperor Aurangzeb, who ruled over the Mughal empire from 1658 to 1707. Aurangzeb's Batman Begins tells the story of Aurangzeb (Jackie Shroff), a passionate and disciplined policeman who has a purpose-driven life. He is a man of

few words and is a lone ranger in his field. He takes on the challenge of avenging the murder of his wife and avenging his honor by defeating Gangster Ajay (Arjun Kapoor) whose brainwashed gang has tried to kill him. Vishal (Arjun Kapoor), the ingenious villain who has placed himself in the guise of an honest citizen, makes Aurangzeb strive for new heights of insight and understanding while revealing aspects of Ajay's true nature. The film has a dark yet gregarious and detailed portrayal of the tragic fall of the Mughal Emperor Aurangzeb, who ruled over a vast empire for almost three decades and had the entire world convinced that he was a great man.
